WELCOME
TO **MALAYSIA**

WHY MALAYSIA?

More and more students choose Malaysia to start or continue their education. The primary reason for this is the combination of high quality education, cultural diversity and tropical climate that Malaysia has. This country gives you a unique opportunity to enjoy both learning English and having a great time exploring Malaysia's tourist attraction and tropical islands. Therefore, Malaysia is one of the top destinations for studying English.

ENGLISH IN MALAYSIA

The English language is the medium of instruction at universities and colleges of Malaysia.

As Malaysia was colonized by Britain, its urban structures, educational and scientific policies have been influenced by the British system. Speaking English in most of the cities in Malaysia is very common; it is in commerce systems, advertising, radio, TV, and of course education.

Our school, located in the capital city Kuala Lumpur, offers a wide range of different English language courses from short intensive programs to IELTS preparation. Moreover, the convenient location allows the students to enjoy all that Kuala Lumpur has to offer.

What will you achieve

Awesome English Language Center?

- Improve your overall English through intense practice.
- Use English accurately with the correct pronunciation, grammar and sentence structure.
- Be able to write in English clearly and deal with business correspondence.
- Become more confident in your personal, academic & professional life.
- Be taught by experienced, highly qualified, professional native English teachers.
- Learn about foreign cultures in our international environment.

EXTRA ACTIVITIES

Outdoor activities

Outdoor activities create a live experience that enhances classroom learning especially when students are learning a language.

You can see from their excitement and enthusiasm that students enjoy these opportunities to get some fresh air and practice outside the classroom.

Regardless of whether students were born or arrived recently to Kuala Lumpur, they will gain valuable knowledge from the opportunity to physically explore a location and demonstrate what they've been learning in class. English language learners in particular need to get out into the real world at every opportunity.

Indoor activities

1- Visiting Kuala Lumpur universities:

Taking an official campus tour will provide students with an overview of the university. It also provides a chance to learn about aspects of the university that are not covered on website.

There are different types of tours throughout the day that focus on specific aspects of the university like:

Dorms, academics, library and campus life. Students can also visit the VP and will receive certificates for participation in workshops.

Orientation

Every semester the International Relations Office holds an orientation program especially for incoming international students.

Students will receive general information on studying at Awesome as well as its various facilities (Multimedia Lab, library, etc.)

2- Skill classes:

These are free extra classes that help our students develop their conversational English skills, learn key words and expressions, listen to dialogues and have group discussions to better understand spoken English and cultural norms.

3- Parties
