To whom it may concern:

I have had the distinct pleasure of having Kaya Hastings as a student in my debate classes and on my debate team for three years at Eastern Little Hope High School. Kaya has been more than the ideal student. In order to achieve the highest grades and my deepest respect, she has demonstrated outstanding leadership and maintained a clear sense of purpose. The academics at Eastern Little Hope are most challenging, and Kaya fulfilled all the requirements with the added challenge of honors and advanced courses. Kaya is an outstanding extemporaneous speaker and debater.

She has won many awards on the speech and debate circuits, and qualified for national tournaments. Success in these interscholastic activities requires extensive research and persuasive skills. Kaya also holds the degree of Special Distinction, as a member of the National Forensic League. Due to its nature of metro, state, and national interscholastic competition, the successful high school forensics student serves by not only representing his or her school but also by representing his or her community as well. One of the requirements in my advanced class is to prepare lectures and guidance for the beginners.

With Kaya's superior knowledge and involvement in the political sciences, she developed a strong sense of confidence with a charming attitude. Therefore, I could always depend on her to set the best example as an instructor. Because of her natural leadership abilities, Kaya was selected as our Debate Captain. On account of her mature approach to her

responsibilities, I often thought of Kaya as a colleague. Since her classmates, my fellow teachers, and I will always hold her in the highest esteem, I sincerely recommend Kaya Hastings as the ideal candidate for matriculation at Eastern Little Hope State master program.

Respectfully submitted,

Mr. P**l, Ph. D
